Friends and Colleagues,

As President of the Arkansas Association of Health-System Pharmacists (AAHP), it is my pleasure to invite you to the 50th Annual AAHP Fall Seminar, held September 29-30 in Hot Springs, Arkansas at the Arlington Resort Hotel and Spa. AAHP is excited to celebrate 50 years of providing programming for pharmacists, pharmacy residents, technicians, and pharmacy students.

The AAHP Fall Seminar Planning Committee has designed excellent educational programs that focus on how we can continue to progress as practitioners and as a profession for another 50 years. Our special guest speaker is Julie Moretz, Associate Vice Chancellor of Patient and Family-Centered Care at the University of Arkansas for Medical Sciences. Ms. Moretz will provide insight on how pharmacists can partner with patients and families to improve patient safety and the quality of care we provide. Please join me in not only learning from her but learning what other clinicians in Arkansas are doing in their practice settings to continue to advance pharmacy services.

The AAHP Fall Seminar will offer up to 11.5 hours of ACPE-accredited continuing education for both pharmacists and technicians. Programming will consist of clinical and operational topics that impact all areas of practice. There will be concurrent sessions on both days, so you can select the program that corresponds with your learning needs. We hope you will join us in our #LiveYourWhy social media campaign to promote health-system pharmacy by posting "why" you practice pharmacy in order to encourage our legislators to recognize pharmacists as a vital component of the healthcare team and inspire others to get involved in our profession #LiveYourWay #AAHP50. I look forward to seeing you all there!

Thanks for your support,

Kendrea M. Jones
