

October 2, 2014

Dear Pharmacy Technician,

Your membership in this organization shows your commitment to pharmacy in Arkansas. I would encourage you to join me in getting involved in AAHP. I have served as the technician representative for almost seven years. Now is a golden opportunity for to be considered as a candidate for that position as it is time to appoint a new representative. I have found leadership in this organization to be very rewarding. Also, please join me in helping to achieve our goals for 2015.

- We would like to increase our membership by 50%. When you renew your membership this year, grab a friend and encourage them to join as well.
- Please join us on Facebook. AAHP member, Shannon Gallagher, has agreed to be the administrator for the group.
- We would like to award two technician certification scholarships this year. If you are not nationally certified, then please apply and encourage your co workers to apply as well.
- Your commitment to AAHP through membership serves as your voice in shaping the future role of pharmacy technicians in Arkansas. Now, more than ever, your involvement in AAHP shows your investment in our profession. Whether you practice in retail, institutional or hospital pharmacy-AAHP offers membership to all pharmacy technicians regardless of practice setting.
- **Membership dues are only \$10.00 and are payable to AAHP.**
