BUILDING THE FUTURE OF PHARMACY

139TH APA ANNUAL CONVENTION

— JUNE 9-10, 2022 —

DOUBLETREE BY HILTON, DOWNTOWN LITTLE ROCK

The Arkansas Pharmacists Association's (APA) 139th Annual Convention will be held at Doubletree by Hilton in Downtown Little Rock from June 9-10, 2022. The convention theme, Building the Future of Pharmacy, reflects the growing role of pharmacists in the present and future due to the COVID pandemic and simultaneously references the new APA building that will be completed later this year.

Pharmacists can stay up-to-date and informed with the Continuing Pharmacy Education sessions and networking opportunities planned at the convention. This annual conference will welcome up to 350 pharmacists, pharmacy technicians, exhibitors, students, and special guests.

WHY ATTEND

Continuing Pharmacy Education: APA will offer many hours of Continuing Pharmacy Education credit with highly-regarded instructors on topics ranging from insurance issues to the latest ways to win in a challenging economy.

Comprehensive Exhibition: Exhibitors including pharmacy wholesalers, manufacturers, insurers, Colleges of Pharmacy, hospitals, and software vendors will be on hand to discuss their newest products and services that will benefit the practice of pharmacy in Arkansas. Be sure to visit with these professionals to learn about their innovative products.

Social and Networking Events: Join old and new friends at the convention social events. In addition to the always popular Opening Reception at the Exhibit Hall, there will be an opening kick-off social event at the Railyard Little Rock where you can enjoy a night out at the food trucks with all your colleagues.
