Why do you want to serve on the APA Board of Directors?

Having the opportunity to serve on the APA Board of Directors for the last year has been a wonderful and enlightening experience. With many issues facing pharmacy today, we must remain proactive and anticipate change. Evolving with the ever-changing landscape of pharmacy is the only way we will survive and thrive. New ideas and creative solutions will continue to help mold our profession into one of high esteem and respect. Serving on the APA Board of Directors allows me to give back to my profession and ensure that I am doing my part on behalf of my colleagues and state.
