### Administration Fee

The following NCPDP fields must be populated to bill an admin fee in same transaction as vaccine

438 INCENTIVE AMOUNT SUBMITTED (Dollar amount of admin fee associated with vaccine)

439 REASON FOR SERVICE CODE (PH: Preventative Health)

440 PROFESSIONAL SERVICE CODE (MA: Medication Administered)

441 RESULT OF SERVICE CODE (3N: Medication Administered)

\*check with software vendor for exact location (normally located with DUR and Override Codes)

Please note that the above NCPDP field codes are only to be completed on claims for both the dispensing and administration of covered vaccines.
