132ND APA ANNUAL CONVENTION

LEARN. IMPLEMENT. CHANGE.

Following healthcare reform, pharmacists who want to be successful will have to learn new skills, implement innovative practices and change the way they think about patients. The 132nd APA Annual Convention will be held at The Chancellor Hotel in Fayetteville from June 12-14, 2014. During this annual gathering, pharmacists can stay up-to-date and informed with the Continuing Pharmacy Education sessions and networking opportunities planned at the convention.
